

## Enthusiastic Meeting Held To Discuss Local Youth Training Courses

D. Cameron, Director of Scheme, Outlines  
Plan in Town Hall On Saturday Last

The Dominion-Provincial Youth Training Program got away to a good start at a meeting called by the Lacombe and District Board of Trade in the Town Hall last Saturday afternoon. In all 49 representatives of various organizations and interested persons were present. J. S. McCormick, vice-president of the Board of Trade, opened the meeting. J. S. Cram was unanimously elected secretary. Introduced by the chairman, Donald Cameron, Director of Schedule "A" Youth Training Program, outlined the workings of the movement. He stressed the value to the community of these schools, and told how, at the end of these courses, the students were encouraged to form their own local clubs, and by receiving literature and occasionally speakers from the University, continue to supplement their knowledge and training. Program class hours would be from 9 to 12, 1:30 to 4:30, and 7:30 to 9:30. "The chief functions of the local committee will be to stimulate interest in the course, to secure applications direct and through regional sub-committees, and to secure suitable accommodation for the students in Lacombe," said the speaker.

## Lacombe Constituency Social Creditors Rap Lieut.-Governor

Expressing confidence that the present Social Credit government can introduce Social Credit on a practical basis in Alberta, D. B. MacMillan, M.L.A., addressed a meeting of delegates from all parts of the Lacombe Constituency at the annual Social Credit organization convention held in Lacombe on Tuesday. During his talk, Mr. MacMillan stated that "we have two outstanding men" in Byrne and Powell, technical government experts.

Several resolutions were dealt with, the first of which expressed supreme confidence in Premier Aberhart and D. B. MacMillan, local M.L.A. The Lieutenant-Governor of Alberta was strongly condemned by a resolution for "his indiscreet action in withholding his consent on certain bills which were passed by the Provincial Legislature." This was forwarded to Prime Minister MacKenzie King, as was also another resolution asking the Federal government to take steps to cope with "the coming economic depression."

### Election of Officers

Officers for the Lacombe organization were all re-elected, with T. F. Roberts, Lacombe, still acting as president; V. I. Carter of Tees, vice-president, and J. Russell of Lacombe, secretary-treasurer. Delegates to attend the Divisional Conference to be held in Wetaskiwin on Wednesday, December 15, were elected as follows:

C. E. Webb, Mirror; V. I. Carter, Tees; F. Wilson, Chigwell; O. L. Johnston, Bentley; Mrs. R. W. Barritt, Alk.

C. E. Webb was also elected to represent this constituency at the Provincial Constituency (convention to be held in Calgary in January).

## Surprise Party For Mrs. Aldwinckle

A pleasant surprise party was held at the home of Mr. and Mrs. Chas. Raymond Monday night, when the members of the Modern Woodmen complimented Mrs. E. H. Aldwinckle, who is leaving Saturday for a visit with her daughter, Mrs. Glen Shortliffe of Ithaca, N.Y.

Previously entertained at dinner by Mr. and Mrs. N. N. Woody, the honored guest was taken by surprise later in the evening, when the Modern Woodmen, in a body, with their ladies, called to make the evening one of gaiety.

Contests were indulged in, and after a delicious lunch, Mr. Raymond presented Mrs. Aldwinckle with a small token of remembrance on behalf of the gathering, adding their best wishes to her for an enjoyable holiday.

## This Week's Thought

Books turn the dead past into the living present.

## Lacombe Team Takes Lead in Hockey League

LEAGUE STANDING									
	W.	L.	T.	F.	A.	Pts			
Lacombe	4	0	0	20	11	8			
Red Deer	3	0	1	18	5	7			
Stettler	0	3	1	8	16	1			
Olds	0	4	0	8	22	0			

By virtue of their 7-5 victory over Olds Wednesday night, their fourth of the season, Lacombe Athletics stepped one point up on Red Deer to head the Central Alberta Intermediate Hockey League.

Red Deer tied with Stettler 4-4 on Tuesday night; Saturday night at the local arena, the Lacombe team tangles with Red Deer in a game which will probably decide the league leadership. Coach English is holding a stiff workout on Friday night, and confidently expects a victory. The game will start at 9:15.

The game at Olds Wednesday night was a poor exhibition of hockey. The local outfit failed to hit their stride at any time during the game and were fortunate in the end of their 7-5 victory. Goals for the locals were scored by: Brooks 2, Haverstock 2, Penman, Miles and Clift.

Featuring a slashing, fighting attack, the Lacombe Athletics stormed in on the Olds net to win hands down by a score of 6-2 in a regular fixture of the Central Alberta Hockey League, held in the Lacombe arena on Saturday night. It was the third straight victory for the locals, and Olds' third straight loss.

Starting fast, Lacombe tallied three times in the first period, which saw the play inside the Olds blue line the greater part of the time. Many close goals were almost netted before Gen. Brooks let go a screamer from the Olds blue line, which lodged in the net behind Kaiser for the 1-0 lead. Today's four goals his way through the defence to poke in his own rebound for the second goal of the game, while Brooks landed another in to end the scoring in the first period.

The Lacombe forwards backchecked relentlessly to break up Olds rushes before they started. A goal score by Penman was disallowed when Chapman was

(Continued On Page Five)

## School Hockey League Organized

School hockey teams were organized at a meeting held in the local school Friday afternoon. R. Warren presided over the meeting. Three teams were drawn up from Grades 9, 10, 11 and 12 and Commercial rooms, as follows:

The Eagles—D. Carr, captain; Mark Webster, Bruce Sage, Laurie Hainsworth, Bob Waterman, Elmer Young, Ernie Haulford, Rowett Marshall and Cameron Lansell.

The Aces—Irvin Todd, captain; Tom Ford II, Reg Wilks, Sam Beemish, Alvin Trott, Charles Reed, Bill Waterman and Arthur Brewer.

The Hornets—Dick Scott, captain; Jack McCaugherty, Bill Gilmore, Beverly Jones, Tom Ford I, Andy Gilmore, Bert Nelson, Vernon Milne and Elvin Brevik.

These three teams will form a league and play regular games each Saturday morning.

## Hockey Club Dance Promises Success

Who will be the winner of the \$20 bill to be given away to the lucky ticket holder at the Lacombe Hockey Club dance to be held in the Central Alberta Pavilion on Friday night, Dec. 17, is the burning question occupying the minds of many in the town and district these days.

Tickets for the dance have been going well and a good crowd is assured. Those in charge state that, in event of the weather being cold, owners can drain cars, and hot water from the pavilion will be supplied, free of charge, to refill the cars when anyone is ready to go home. All indications point to the affair being a big night.

## H. M. King George VI Observes Birthday

His Majesty King George VI, who celebrated his 42nd birthday last Tuesday at a family luncheon party in Buckingham Palace, when he was the recipient of many congratulations. It was his second birthday since his accession to the throne.

## ANOTHER OPPORTUNITY TO INSPECT THE HOSPITAL

In view of the great amount of interest shown by the general public when the new Hospital was opened for inspection on Wednesday, the Hospital Board have decided to give those who have not done so the opportunity to inspect the institution, from 1 to 5 p.m. on the following days: Saturday, Dec. 18, and Thursday, Dec. 23.

An attendant will be on hand to show and explain the various parts of the building.

## Skating Rink Time Table Released

The schedule for the local Skating Rink has been definitely drafted for the coming winter. The hockey management asks anyone owning phonograph records suitable for skating to communicate with J. Shaw, Rink Manager, or Miss Opal Danner at the Town Hall.

The schedule is as follows:

**Mondays—**  
4:00 to 5:30—Boy Scouts.  
8:00 to 10:00—Skating.

**Tuesdays—**  
Reserved for hockey, intermediate or juvenile.

**Wednesdays—**  
8:00 to 10:00—Skating.

**Thursdays—**  
3:30 to 5:30—School boys.  
Evening, reserved for hockey.

**Fridays—**  
4:00 to 5:00—Skating for beginners under 10.  
8:00 to 10:00—Skating.

**Saturdays—**  
10:00 a.m. to 1:00 p.m.—School boys, when weather is cold.  
Evening reserved for hockey.

**Sundays—**  
3:00 to 5:00—Skating; silver collection.

## HOSPITAL BOARD MEETING HELD MONDAY NIGHT

Cleaning up various details regarding construction of the Hospital, the Hospital Board held a meeting in the Board Room on Monday night. Several small matters needing immediate attention were dealt with, and accounts passed.

### VISITORS TO EDMONTON

Rev. and Mrs. F. Coxson, their daughter Ellen and the Misses Mildred Mottet and Mabel Hampson, spent last week-end in Edmonton attending a Sunday School Convention and the District Quarterly Conference of the Alberta Free Methodist Church.

## Lacombe and District Community Hospital Is Formally Opened

Estimated Crowd of 1200 Attends Opening  
Ceremony and Inspects the New Institution

A spell of mild weather greeted approximately 1200 people who attended the opening of Lacombe and District's new Community Hospital on Wednesday afternoon, Dec. 15th. On a platform built near the main entrance were seated four members of Lacombe's first Hospital Board—Dr. E. M. Sharpe, W. N. Morrison, W. F. Puffer and Dr. W. J. Simpson, now of Millet; members of the recent Board, F. McLeod, Mrs. W. N. Morrison, Mrs. John Gilmore, Mrs. G. I. Doherty, Jesse Fraser (who has acted as secretary almost continuously since the incorporation of the first hospital), and G. T. Jackson, who officiated as chairman for the ceremonies incident to the opening of the new hospital; prominent visitors from surrounding towns, including F. P. Galbraith, editor, and Fred Turnbull, manager of the Red Deer Advocate; Mrs. Findlay, Matron of the Red Deer Hospital; M. L. Gordon, Chairman, and J. Findlay, Secretary, Mr. and Mrs. Geo. Rest, all of the Red Deer Hospital Board; Nurse Henn, Councilor P. Johnston and Mrs. Johnston, and Mayor E. S. Hogg of Red Deer, who brought greetings from his city and its Hospital; members of the new Community Hospital Board—Reeve O. W. Heupelhuesser of M.D. of Crown, Chairman of the new Hospital Board; W. Parker, A. Hall, P. C. Owen, W. Avery and Acting Secretary L. P. Minkler, also the speakers, who addressed the large crowd previous to the opening of the doors.

Reeve Zimmerman and Councilor H. W. Stretch M.D. of Fertile Valley, Ponoka; Reeve Harry Brownlow, M.D. of Lorne, Bentley, and Councilors G. M. Neis and Roy Hecht, M.D. of Lamerston, Alk.

"The chief asset of any community and the real wealth of a nation lies in the health of its population," stated G. T. Jackson in his opening remarks, following the singing of "O Canada."

Reeve O. W. Heupelhuesser conveyed a message of thanks and appreciation to all those who had co-operated to make the building of the new hospital a reality. Dr. Sharpe replied briefly on behalf of the old Board, extending congratulations to the residents of this district, saying that the new building was proof that people can co-operate to produce something worth while.

Dr. MacLean, new chairman of the Red Deer Health Unit, paid tribute to the people of the community on the erection of such a fine building. M. L. Gordon, chairman of Red Deer Hospital Board; Dr. F. J. Stewart, recently established in Lacombe, and Dr. W. J. Simpson of Leduc were introduced.

Dr. Bow Speaks

Dr. M. R. Bow, Deputy Minister of Health, said that instead of being a place of fear, hospitals are now a place of hope, where every facility is provided to restore health to the sick. Communities today are judged by the facilities provided for the welfare and care of their sick, and Lacombe could take its place as a most modern community in having not only provided preventive facilities, but in providing a place for treatment, a place which may also be used as a Health Centre and a teaching centre, and one where clinics may be established. He extended congratulations on behalf of the Alberta government and the Department of Health.

**Ribbons Are Cut**  
Following his address, Dr. Bow was asked to cut the ribbons and having done so, he opened, admitting the huge crowd which poured into the building. Miss M. Maloney and her staff of nurses were on hand to conduct the groups over the building and answer questions. Tea was served by members of the Ladies' Hospital Aid in the staff dining rooms, and the proceeds of \$63 taken in will go toward the purchase of linens, etc., for the hospital.

Holder of the lucky ticket on the Hope Chest, filled with blankets, linens, etc., put up by the Ladies' Hospital Aid, was Mrs. L. P. Ditzler, Clive. The drawing was made by Mrs. Findlay, Matron of the Red Deer Hospital.

Many contributions have been made by various organizations toward the furnishing of the hospital.

## Mrs. J. E. Love Elected President of St. Andrew's W.M.S.

The following slate of officers was chosen at the annual meeting of St. Andrew's Women's Missionary Society on Tuesday, Dec. 14th.

Honorary president, Mrs. H. A. Day; past president, Mrs. U. E. Reeves; president, Mrs. J. E. Love; first vice-president, Mrs. A. L. Carr; second vice-president, Mrs. S. Pillman; third vice-president, Mrs. E. L. Misenor.

Secretary, Mrs. C. Danner; treasurer, Mrs. W. C. Sweet.

Committee Convenors are: Christian Stewardship, Mrs. A. L. Carr; Associate Helpers and Strangers, Mrs. P. MacDonald—assistants, Mrs. O. Young and Mrs. W. Dowling.

Press and Temperance, Mrs. C. E. Todd; Supply, Mrs. A. Gilmore; Baby Band, Mrs. Geo. Wallace; Missionary Monthly and Literature, Mrs. W. Dowling.

Finance, Mrs. W. C. Sweet, Mrs. J. N. B. McDonald, Mrs. A. L. Carr, Mrs. J. E. Love, Mrs. C. Danner and Mrs. E. L. Misenor.

Refreshments, Mrs. S. Abbott; teas, Mrs. U. E. Reeves, Mrs. S. Abbott, Mrs. C. Danner and Mrs. A. Gilmore.

### Annual Reports

Annual reports showed that the allocation had been raised and clothing sent to hospitals and to school homes in Alberta. The president paid tribute to the excellent service held by C.G.I.T. groups on Sunday evening and to the quality of the work they are doing among the girls.

Devotional exercises were conducted by Mrs. C. McIntosh, Mrs. R. L. Ramsay and Mrs. Misenor on the topic, "Fellowship in the Church."

A splendid paper by Mrs. Carr on the "Grace and Spirit of Giving" was also presented.

Mrs. C. E. Todd was appointed to audit the books. The January meeting will be held at the Manse on the third Tuesday of the month.

### CURLERS START

Curling started at the local curling club on Monday night, when over 12 rinks turned out. The opening local bonspiel is expected to take place within the next week or two. About sixteen rinks have been made up to date.

pital, and those on display included a tapestry armchair from Lacombe Rebekah Lodge, and several layettes and baby blankets donated by the Lord Lascelles Chapter of the I.O.D.E.

## THE WESTERN GLOBE

A strictly independent weekly newspaper, published every Thursday in the Globe Building, Nanton St., Lacombe, Alberta.

Harry J. Ford - Publisher

## SUBSCRIPTION RATES

Three Months in Canada.....\$ .50  
Six Months in Canada.....\$ .90  
One Year in Canada.....\$ 1.80  
One Year in United States.....\$ 2.50

## The Western Globe Stands for:

1. The advancement of Lacombe and district in agricultural, industrial and community life.
2. True democratic government in Alberta.
3. Reduction of taxes and the public debt through the medium of safe, sane reform.
4. The abolition of direct relief through the production of public works.
5. Better roads for Alberta.

THURSDAY, DECEMBER 16, 1937

## A Helping Hand

Residents of Lacombe are asked to give full cooperation in providing sleeping quarters for the students who will attend the Youth Training Program Course to be held in Lacombe starting January 4th. It is expected one hundred boys and sixty-five girls will attend the courses here. Dining room facilities are available at the Central Alberta Pavilion, but accommodations for sleeping will have to be found.

Let's all get behind this movement, co-operate fully with the committee in charge and help these young people get back on their feet.

## Canada's Hog Market

Canadian hog raisers have a market readily available for their products. IF THEY CAN SUPPLY THAT PRODUCT. It is a market the possibilities of which have been barely touched. Under the Empire Preference Trade Treaties, Canada is given a quota of 250 million pounds of bacon to fill and produce for the market in Great Britain. The best job Canada has done towards filling this quota was done last year, when 155 million pounds of bacon was exported to the United Kingdom.

There is something radically wrong when this great expense which is Canada can fill only 62 per cent of their orders in a market which is already there. With so many farmers in Western Canada destitute and dependent on the State for their very existence, it is an odd paradox that orders are unfilled year after year.

It must be taken into consideration that Canada, while this quota is open for her at the present time, is not filling it, and Canadian bacon is still selling in indirect competition with the products of Denmark and the Scandinavian countries, where hog-raising has been developed into a highly specialized industry. If, however, Canadian bacon can prove its worth in the British market and hog raisers in this country can meet prices, a steady export business will be established and will provide a steady market for Canadian farm products.

The trade magazine, "Canadian Business," goes into the matter fully in its latest issue, and deals with the issue from all phases. The writer, R. A. Wright, who has spent some time in the British Isles studying this problem, has drawn up eight suggestive points to help Canada take full advantage of this large marketing opportunity of 250 million pounds of bacon annually.

Mr. Wright states that Canadians should:

1. Establish the best type of breeding stock in existence.
2. Develop by selection the most economical feeding pigs.
3. Develop the technique of a feeding practice that will give a low cost of production.
4. Develop a system of distribution of feeding stuffs that will allow us to overcome, or at least to minimize, the effects of feed scarcities as they occur in different areas of Canada year by year.
5. Develop a system of grading hogs which will (a) give the farmer absolute direction in the type, weight and quality of the hog that is wanted; and (b) that will reward the individual farmer for the good work he does and penalize the farmer who is not doing good work.
6. Manufacture the hogs into bacon in the most economical manner possible and bring the product to the highest possible degree of perfection.
7. Develop a system of transportation that will overcome the disadvantage of distance which our bacon has to travel on land and seas before reaching its destination.
8. Market that bacon in Great Britain in the most economical and efficient manner possible.

"This particular label, the jury might have thought, appeared almost to invite a thoroughly efficient horsewhipping"—Lord Chief Justice Hewart, re Duke of Windsor label suit.

## Do You Remember

(From the Files of The Western Globe)

TWO YEARS AGO—DECEMBER, 1935  
Lacombe won its second straight victory from Stettin in a good hockey game by a score of 3 to 1. Todd, Pears and Pettit scored for the Lacombe team.

Rev. S. J. Waterman was inducted into office of the Lacombe and Clive pastorate of the Baptist church.

ONE YEAR AGO—DECEMBER, 1936

Miss Elsie M. Osborne resigned her post as Matron of the Lacombe General Hospital after almost nine years' service.

Mrs. J. E. Love was elected president of the W.M.S. at its annual election, held at the home of Mrs. E. L. Misenar.

## Through the Eyes of a Country Woman

By BRIDGET

With Christmas not so many days away, all of us are busy with preparations for the 25th. What a lot of scheming this takes, too; many farm women do not know where those little expensive presents are coming from. Once I heard of a woman who had nothing to spend on presents for one of her little ones, but an elder child had some finished scribbles from school. She took these and cut pretty colored advertisements out of magazines and papers she begged from her neighbors, and stuck them in with flour and water paste; the result—a very attractive scrap book that delighted the heart of one small child.

It takes such a little to please most children, and really Christmas Day is the children's day. It is the day we commemorate the birth of the Christ Child, so it should be a day given over to the children.

Here, most houses have Christmas trees, but there are no children's parties. In England you see few Christmas trees; in our home we only had one during the whole of my childhood, but from Christmas to New Year there were all sorts of children's parties, and if we went back to school without having seen a pantomime or two, and visiting the circus, we felt that we had been cheated. We cannot have these things here, except, perhaps, the children's parties. But the kiddies could make their own pantomimes at these parties—Cinderella, Red Riding Hood and Old Mother Hubbard could be made so real, living things by acting them.

Really, Christmas has become more a day on which we all over-act than anything else. Isn't it extraordinary to realize that our most Christian festival is founded largely on paganism? The mistletoe with which the British delight to decorate archways and doorways, and which, somehow, legalizes any kisses stolen under it, is a survival of the old heathen Druid priests of ancient British days.

In olden English times the main dishes, at the feast of Yule, were a baron of beef and the Christmas pudding sitting in a sheet of flame, caused by it being covered with brandy and then set on fire. The turkey is of more recent date, and is American in its origin as a Christmas dish. Dickens' "Christmas Tales" give a very complete picture of the old British Christmas customs.

Here, in Canada, the climate gives us the greatest chance in the world to have a real "old-fashioned" Christmas. Do you remember last Christmas—the frost and the brilliant sunshine? Looking out from our windows on the farm, the view was bespangled with diamonds. The woven fire fence took on the guise of delicate fairy lace. The trees were hoveled under their load of gleaming, scintillating white, diamond-studded, and intricately woven from bough to bough. Even the telephone wires were transformed into silver strands, on which the chickadees sat and serenaded us. The background, a glorious blue, which, the painters would have us believe, exists only in Italy. Why not settle for a Christmas—just as unfortunately, some of us have no relatives in this country with whom to be re-united at this essentially family festival. To some, distances and the state of the roads form insurmountable obstacles. So we have to fall back on presents and cards; some of us cannot afford much, but a little remembrance gives so much pleasure that it is a privilege to give, and anyway, it is a bit selfish, as one gets so much pleasure out of doing up little gifts and plastering them with the attractive seals that are so cheap to buy.

There is a grace in giving and receiving that is almost lost; it is so good for a child to get used to working and trying to do something for someone else's Christmas. One scheme that was worked out with great success at home was for two Christmas Tree Parties to be given; the first a week before Christmas, at which more fortunate children were encouraged to take one of their own prize toys and fasten it on the empty tree. The second was given on the day before Christmas, when under-privileged children came and received these gifts from the tree, and were waited on and given a dainty tea by the small donors of the gifts. There is quite a lesson on citizenship in this little ceremony, also quite a test for the small one seeing a cherished belonging taken off the tree and given to someone else.

The rural school concerts, with their Santa Claus, certainly try to keep the feeling of Christmas for the children. We never believed in Santa Claus in my young days, and I am not sure that we did not lose something an anticipation of his advent. It seems a pity, though, that some school concerts get so crowded with outsiders that the children and their parents are squashed in a most uncomfortable manner. These concerts should be primarily for the children and their parents. What patience some of our rural teachers have in the preparation of these concerts. Such a lot of work goes into them. Some people, in fact, think they take up too much study time; but these concerts do teach the children a lot of what is worth while, which does not come within the scope of the curriculum—a sense of deportment and public spiritedness; they declaim in front of a number of people, and a sense of loyalty to the school, which makes them do their "best"; all this is useful to the growing mind.

Doesn't it make your heart ache to think, especially at this time, that any child can be cruel to little children? Think of the poor little Spanish children, and the Chinese children; think of the millions of under-privileged children throughout the world. Right in Edmonton, a father is alleged to have hit his child so violently on the head that the poor little thing died. Don't you think that we should treat little children as a very valuable trust, and make life as sunny and happy as possible for them? God knows there will be tears a-plenty for them when they reach maturity. Is there anything more beautiful than the complete trust a little child will give you? Let it be our hope that we may never betray that trust, for if we do, we betray the world, for little children are the future builders of the world.

## Do You Know?

## Kelsey MacDougall

nearly one-year-old Canadian-born farmer, who has been a resident of this district since 1937.

Born in Wallaceburg, Ontario, on April 8, 1886, Mr. MacDougall started working when 15 years of age. He was first employed in the lumbering business and also spent some as a hired hand on the freight boats of the Great Lakes.

At an early age he had charge of a small freighter as engineer on some of the smaller lakes of Southern Ontario, but turned to farming shortly after the age of 24.

In 1911 Mr. MacDougall came west and two years later he moved his family to the Lacombe district. For six years he worked as a teamster in town, and in 1919 bought a farm northeast of town, which he worked for another five years. Mr. MacDougall and his sons broke 80 acres of the quarter section in the first five years and threshed some very good crops.

Since about 1925 Mr. MacDougall has been a retired resident of Lacombe. "Kelsey" has been a member of the L.O.O.F. since 1936 and received his Veteran's Jewel in 1933.

Married in 1937, Mr. MacDougall and his wife will celebrate their 60th wedding anniversary on December 27 of this year. They have one daughter, Mrs. M. Skinner, who resides in the east, and three sons, Russell, who lives on the farm northeast of Lacombe, and Kenneth and Charlie, who operate the general store at Tees.

## Wallace Beery At Avalon Beginning This Thursday

Wallace Beery in a comedy, best suited to his homespun humor makes good entertainment in "Old Hutch," appearing at the Avalon Theatre this Thursday, Friday and Saturday. Beery finds a box containing \$100,000 while out fishing. In order to spend the money without suspicion, he decides to go to work after having loafed for 20 years. He makes a deal and earns a thousand dollars.

When he goes to the bank to cash a \$1000 bill, he finds that all bills of that denomination are being checked in an effort to locate some stolen money. Deciding to go away and spend his fortune, he goes to where he has hidden the money and is caught by the robbers. When they try to make him pass some of the money, he wrecks their car, and aids in their capture. He gets a \$5000 reward, becomes the village hero and resumes his fishing. It is an outstanding show and worth while seeing.

## Morningside

(From Our Own Correspondent)

MORNINGSIDE. — The "Good Cheer Club" met at the home of Mrs. Cecil Lewis on Thursday, Dec. 9, with Mrs. Ed. Carter, the new president, in the chair. After the business transactions took place, the meeting was turned into a jolly Christmas party. A short program of readings, conundrums and guessing contests took place. Names had been drawn at a previous meeting and a general exchange of gifts took place. A nicely decorated Christmas tree was seen in one corner and decorations were to be seen everywhere, with a real Christmas spirit predominating.

Mrs. Grant was chosen to act as Santa and made the presentations, and everyone received a nice gift. Home-made candy and refreshments were served. Mrs. MacKinnon and Mrs. F. E. Clement assisted the hostess. The January meeting will be held at the home of Mrs. Charles Lewis. Christmas parties have taken up his abode in the Ponoka district for the winter months, much to the regret of the motorists around Morningside, as Mr. Carter was always on hand to keep the road leading to the highway clear.

## Wetaskiwin Team Wins Exhibition Game From Lacombe, 4-1

Taking the game 4-1, a smart "agregation" of hockey players from Wetaskiwin proved too much for the locals in an exhibition game here last Thursday night. The first goal and only counter made by the locals came in the first period, when after a concerted power play by the visitors, Cliff hooked the puck, carried it down to shoot and Penman came in to score on the rebound.

Davis and Hart combined to even the score, the latter getting the goal. Flock found the net in the second session and Weiss and Hart each clicked in the third.

Lineup of Teams  
Wetaskiwin — Gleason, Shillback, Malher, Mohler, Elock, Davis, Hart, Weiss, Jackson and Green, Brown.

Lacombe — Edgar Todd, Brooks, Cliff, Carter, Penman, Miles, Chapman, Haverstock, Roberts, S. Todd and Frizzell.

Penalties: Wetaskiwin 5, Lacombe 4.

Referee—L. Mathieson.

Question: Why is a newspaper boy never cold?

Answer: Because selling papers maintains the circulation.

Question: "What is the difference between a sailor in jail and a blind man?"

Answer: One cannot go to sea and the other cannot see to go.

## The World of Wheat

There is extensive overlapping and duplication of government services in agriculture.

A witness before the Royal Commission on Federal-Provincial Relationships recently made this statement. "Ninety per cent of the taxpayers believe this statement is true," commented a prominent journalist.

Most unfortunately, the journalist is right. My own experience, however, teaches me that this belief is entirely erroneous and unfounded, and can only be described as a most sad and pathetic decision, which, as long as it is held, definitely hinders the advancement of agriculture.

For years I have been intimately familiar with the services provided to farmers by Dominion and Provincial governments, by universities and schools of agriculture, and I do not hesitate to assert that there is no unnecessary overlapping or duplication, but that on the contrary, there is a decided need for much more co-ordination and research work to be done by all these good organizations.

Our farmers need badly to know more about the best agricultural practices, and just as badly need improved strains of livestock, and more suitable varieties of crops, that is, if Canada is to compete successfully on world markets, and we must depend, in the main, on governmental institutions to originate these needs.

## GRASS PLANTED IN 1856

LONDON. — With reference to the recent international grassland conference, much historical interest surrounded what are known as the "Park Grass" plots at Rothamsted Experimental Station, England. These plots were laid down in an old established meadow in 1856 and since then have supplied a continually lengthening record of the effect of manures and seasons on hay yield and botanical composition. Rothamsted Experimental Station itself was founded in 1843.

Apples from Nova Scotia are always shipped to Great Britain in barrels.

ed things.

Following factors have tended to raise prices:—

Heavy frost losses and low private wheat estimates in Argentina; Germany and Mexico purchase U.S. wheat; Germany negotiates for Hungarian wheat and corn; New South Wales and Victoria report unwanted rains; Russia sells wheat to Spain; Russian wheat sowings below 1936; lighter European winter orange supply.

Following factors have tended to lower prices:—

Importers assured of adequate supplies from Australia and the U.S.; renewal of Russian wheat offers; Austria uses potato flour as a mixer; large private U.S. winter wheat acreage estimate; record apple crop in Germany; increase in Austrian sugar beet, corn and potato production.

## ACCIDENT CLAIMS LIFE

OF LOCAL OLD-TIMERS SON  
Lindsay Toller, son of Mr. and Mrs. Fred Toller, one-time residents of Lacombe, was killed in an explosion in an engineering plant in Victoria recently. Mr. Toller, Sr., will be remembered by old-timers of this district, living here as he did for about 15 years, from 1902 on. He was an employee at the Urquhart Dept. Store. Lindsay Toller was the nephew of Mr. and Mrs. T. F. Roberts, Lacombe.

Alberta's Mormon Temple is situated at Cardston.

## Around the Town

Mrs. R. Erin McAllister and her two daughters arrived in town on Tuesday to spend the holiday season with her parents, Mr. and Mrs. W. N. Morrison. Mr. McAllister will arrive later.

Miss Mary Gilmore of Edmonton spent last week-end visiting with her parents, Mr. and Mrs. John Gilmore.

Mrs. A. M. Campbell was hostess to members of her bridge club on Monday night.

A New Year's Eve Dance is to be held in the Assembly Hall of the local school on Dec. 31st. All old members of the Assembly Club are asked to contact Mr. Horace Sells of the Bank of Montreal.

The C.G.I.T. Groups which took the Vesper service in St. Andrew's Church last Sunday night will go to Blackfalds next Sunday afternoon to take charge of the service at 3 o'clock in the United Church there. The candle lighting ceremony will be a feature of the service.

Miss Ruth Watt of Innisfail visited with Mr. and Mrs. R. Warren last week-end.

## Weddings

SPARKS-WILTSE

A quiet wedding was solemnized at Crescent Heights Manse in Calgary on Thursday, Nov. 25, by the Rev. Mr. Harbeck, when Miss Ruth Wiltse, daughter of Mrs. Wiltse of Bentley, was united in marriage to Mr. George Sparks of Ponoka, son of Mr. and Mrs. Sparks of Standard, Alberta.

After a short honeymoon spent at Calgary and Standard, the young couple will take up residence in Ponoka. Ruth is well known in Bentley, having spent most of her life in that town, and the best wishes of her many friends will follow her to her new home.—From our Bentley Correspondent.

McINTOSH-WHITEHORE

A wedding of interest throughout Lacombe community and the Canyon district was consummated by the United Church Manse on Saturday at 11 a.m., when Florence Grace Whitmore, eldest daughter of Mr. and Mrs. W. H. Whitmore of Shackleton, Sask., was united in marriage to Mr. T. Wilkie McIntosh, son of Mr. Charles McIntosh of Lacombe.

The couple were attended by Mr. and Mrs. Will McIntosh of Ponoka, the groom's brother and his wife, and the ceremony was performed by the Rev. A. L. Carr in the presence of the groom's mother and a friend, Mrs. Chas. Abbott. Following the ceremony the wedding party proceeded to the Empress Hotel, where a delicious wedding dinner was served. Mr. and Mrs. McIntosh will reside on the groom's farm in the Canyon district.

The home of Mrs. Dick Cator of Shackleton, Sask., was the scene of a large gathering on Wednesday, Dec. 1st, when Miss Florence Grace Whitmore, popular young bride-to-be, was guest of honor and the recipient of a miscellaneous shower.

The many lovely gifts were presented to Miss Whitmore in a "pot of gold at the foot of a rainbow."

WOYEN-SUGGETT

A wedding of interest to Bentley and district took place in the First Presbyterian Church of Edmonton on Tuesday, Dec. 7, with Rev. Ross K. Cameron officiating, when Miss Leona Irene Suggett, daughter of Mrs. M. Suggett, daughter of Mrs. M. Suggett and the late Mr. John Suggett of Bentley, became the bride of Mr. William Woyen, son of Mr. and Mrs. Woyen of Ponoka.

Gertrude Suggett, sister-in-law of the bride, attended the bride as matron of honor, while the groom was supported by her brother, Cecil Suggett. Following the ceremony, a wedding breakfast, attended only by a few close friends of both families, was served at the Corona Hotel. The bride's table was centered with a three-tier wedding cake. After a short honeymoon spent at various points, Mr. and Mrs. Woyen will make their home in Edmonton. Their many friends in Bentley and district will wish them much happiness in their new home.—From our Bentley Correspondent.

Mr. and Mrs. G. T. Jackson were Edmonton visitors the early part of this week.

Dr. and Mrs. F. D. Locke returned from Edmonton yesterday. Dr. Locke has been a patient in University Hospital, and his many friends will be glad to know he is now progressing favorably.

Miss Wilson Ford of London, Ont., is visiting with her uncle and aunt, Mr. and Mrs. J. H. Ford.

Mrs. E. H. Aldwinckle plans to leave on Saturday for New York, where she will visit with her son-in-law and daughter, Mr. and Mrs. Glen Shoreliffe.

The Christmas Cantata entitled "The Light of Life," which has been in preparation for a few weeks by St. Andrew's choir, under the leadership of Mrs. H. Warren, will be presented next Sunday night at 7:30 in the United Church. The time of presentation will require 45 minutes, and with its various qualities and construction—songs, duets, quartets, male chorus, anthems, and closing with the Hallelujah chorus—it will fittingly visualize the Spirit of Christmas and its Message of Peace and Good Will.

An event of interest is to be held in Camrose, namely, the Normal School Alumni Reunion, on Dec. 29th. It is hoped that the various members in this district will put forth every effort to attend and help to make this reunion a success.

Dr. Ruth Johnstone Harvey and Dr. J. M. Harvey motored from Olds yesterday to attend the hospital opening. They were guests of Mr. and Mrs. Bob Lawrence for the day.

The Public Library will be closed on Christmas and New Year's Day, which fall on Saturdays, but will open an hour earlier on Wednesdays at 3 p.m.

Messrs. A. Smith of Arizona, Harold Jensen of California and John Marshall of Oklahoma were week-end visitors in town, renewing old acquaintances.

St. Andrew's Choir will give its Christmas Cantata, "The Light of Life," at the Canadian Junior College on Wednesday evening of next week, Dec. 22. Rev. and Mrs. F. Coxson, their daughter Ellen, and the Misses Mildred Mottet and Mabel Hampson spent last week-end in Edmonton, attending a Sunday School Convention and the District Quarterly Conference of the Alberta Free Methodist Church.

Mr. and Mrs. Jack Wilks of Olds were week-end visitors with Mr. and Mrs. T. Wilks.

Jack Morrison, Gordon Sweet and Bert Ford spent the Thursday and Friday of last week in Edmonton.

## To Investigate Price Of Gasoline in Alberta

An investigation of gasoline prices in this province, with a view to bringing about a substantial reduction, is to be proposed when delegates to the annual meeting of the Alberta Motor Association assemble at Calgary shortly.

Approval of a resolution of this kind for submission to the provincial meeting was given at the annual meeting of the Edmonton branch and is expected to receive endorsement from other parts of the province.

Report of the Macdonald commission in British Columbia, which found that gasoline could be sold for 18 cents per gallon in that province, has spurred Alberta motor clubs to fresh action on the question.

## Spruceville

(From Our Own Correspondent)

SPRUCVILLE.—Mrs. Harry Munce (nee Vera Burton) is being congratulated on the birth of a son last week. Vera was one of our Spruceville girls and her parents, Mr. and Mrs. Wm. Burton, three married brothers and one married sister all live in this district.

At the regular annual meeting of the U.F.W.A. on Tuesday, new officers were elected. Mrs. Barnes and Mrs. Dave Boden, who have acted for two and four years, respectively, were pressed to act again, but both felt they needed a rest from their duties, which were splendidly carried out.

Mrs. H. E. Heath and Mrs.

Boyd Crocker were elected to fill their places as president and secretary, respectively. The vice-president, Mrs. Wm. Parker, was re-elected by acclamation. Delegates were elected to be sent to the annual convention in Edmonton in January. Mrs. Roy Risen being the ladies' choice. A U.F.A. "get-together" was planned in the New Year, on Jan. 7th. Mrs. Brattwhite is visiting with her daughter Annie in Calgary and making the acquaintance of her new and first grandchild.

We are sorry to report that Mr. Southward's brother is very ill. Mr. Southward has gone to see him.

Please don't forget the dance in aid of the hall and that fat turkey and goose which are being raffled.

The Blackfoot Indian Reserve is located at Gleichen, Alta.

## Wedding Dance Held for Mr. and Mrs. C. Flewelling

One hundred and fourteen guests gathered at the home of Mr. and Mrs. George Brown at Fairview on Friday evening, Dec. 10, to attend a wedding dance given by Mr. and Mrs. Clyde Flewelling. The happy couple were presented with a gift of money from those present, for which the bridegroom expressed their thanks.

The music was excellent and many old-time dances were performed by both participants and spectators. Everyone joins in wishing this very popular young couple a happy married life.

Mobile, Alabama, is situated on Mobile Bay.

### Mrs. M. S. Witherell Elected President Of Bentley Group

BENTLEY.—The annual meeting for the election of officers of the Ladies' Hospital Auxiliary was held on Thursday, Dec. 9, at the home of Mrs. W. L. Thorp. Officers for the coming year were elected as follows:

Mrs. M. S. Witherell, president; Mrs. Waldron, vice-president; Mrs. Vandervoort, secretary-treasurer; Mrs. W. Holmes and Mrs. F. W. Thorp, convenors of the work committee.

### UNDERSTOOD THE SURPRISE

Malicious Mrs. Brown said to her neighbor: "I'm surprised to see as 'ow you 'as odd stockings on."

"I can quite understand your surprise, dearie," replied her dearest friend, "but it often 'appens to ladies wot 'ave more than one pair!"

### Sunny Crest Specs

By SPT

SUNNY CREST.—Mr. and Mrs. Les Saunders left Tuesday to motor to Calgary for a few days of Christmas shopping.

Monday evening the Gospel team met at the home of H. Woods to arrange the Christmas service for Sunday, Dec. 19.

The school will be decorated and the platform put up on Saturday for the Christmas program.

Wednesday night, Dec. 22. Remember the dates.

Miss Dorothy Cowell was a recent visitor to Red Deer, having motored down with a friend.

Since Mr. Stork recently presented Mr. and Mrs. Martin with a boy, he has also visited the home of Mr. and Mrs. Era Crocker and left them happy with a baby boy also.

We hear that Glenn Moore has taken over the sawing and chopping outfit of Billie Ross.

Miss Phyllis Kamah was due to arrive home from her holiday when her father received word that she was snowed in out there at Leo, the drifts being 11 feet high.

### God - and Prosperity

John Wesley used to declare that no religious movement would endure in its vigor for more than thirty years, because in that time the obedience to the laws of God demanded in the Christian life would bring worldly prosperity to such an extent that it would lead the people to forget God.

This is some of the most astounding declaration but seems to be borne out conspicuously in human experience.

It is as much as to say that obedience to the laws of God as exemplified by the Christian life has in it the ingredients of prosperity, and following such a course automatically produces prosperity, nationally speaking.

And then comes the real test. When everything is prosperous and all seems to be well with the world, the seemingly unconquerable temptation is to forget God, in the feeling of self-sufficiency without Him.

#### Penalty Is Trouble

The penalty for forgetting God is trouble, of which economic depressions are phases. The ups and downs of the Israelitish nation, of which the Bible largely deals, merely follows the line of remembering and forgetting God as a nation. The central theme in the Bible is that remembering God brings prosperity and forgetting Him is followed by adversity.

It is said that the meek shall inherit the earth. However, after they have cashed in on it, the meek are inclined to lose their meekness and the next thing they know they have lost their inheritance.

(It would be a wonderful thing for humanity if it could be prosperous without forgetting God. Here is an avenue of research which would be worth following: How to enjoy prosperity without forgetting the real source of prosperity—obedience to the laws of God as demanded in the Christian life—Christian Science Monitor.

#### STILL AT IT

A surgeon, an architect, and a politician were arguing as to whose profession was the oldest.

Said the surgeon: "Eve was made from Adam's rib, and that surely was a surgical operation."

"Maybe," said the architect, "but prior to that, order was created out of chaos, and that was an architectural job."

"But," interrupted the politician, "somebody created the chaos first!"

#### SOUTHERN ERROR

A salesman taking his bride to the South on their honeymoon, visited an hotel where they boasted of their fine honey.

"Samba," he asked the colored waiter, "where's my honey?" "Ah don' know, boss," replied Samba, eyeing the lady cautiously, "she don' work here no mo'."

### Trains in Canada To Aid Homeland

Fired with a desire to aid his native land in its life-and-death struggle with Japan, youthful Him Lee, Forest, Ont., Chinese lad, is studying flying with a view to entering China's air force. His tutor, Instructor Al Smith of the London, Ont., Flying Club, reports him as a prize pupil. Born in China, Him Lee was educated in Western Ontario and now works with his father in the latter's Exeter restaurant. He is pictured at the end of a training flight.

### Bentley

(From Our Own Correspondent)

BENTLEY.—Miss Edna Everden, R.N., who graduated from the General Hospital, Calgary, is spending a month's vacation with her parents, Mr. and Mrs. J. G. Everden.

Mr. and Mrs. J. F. Millar had as their most last week Mr. Millar's brother, Rev. D. D. Millar of Oak Lake, Man.

Ladies' Curling Club opened the curling season on Wednesday evening, when two games were played, most of the players being in costume. After the games, the ladies adjourned to Mrs. Taylor's to partake of a bean supper. During the evening the skips were chosen and the various rinks were drawn up. The next set of games will be played on Tuesday evening.

#### Shower for Bride

Complimenting Mrs. George Sparks of Ponoka, the former Miss Ruth Witte, Mrs. J. B. McPherson entertained at a miscellaneous shower at her home here on Tuesday evening, Dec. 7. The evening was spent in playing games and contests. After the opening of the parcels by the bride, lunch was served by the hostess.

Mr. W. P. Small of Spokane, Wash., is visiting her father, H. E. Reid, and Mrs. Reid, for the Christmas holidays.

Mr. and Mrs. C. F. Dameron left on Friday for a short visit with relatives in Washington, Oregon and California.

#### To Hold Turkey Shoot

The second annual turkey shoot sponsored by the Bentley Community League will be held in the hall on Saturday afternoon and evening, Dec. 18. Shooting, cards, dice and bingo in the evening will be played for turkeys. Come and get your Christmas turkeys and help support your town and community.

Mrs. D. Wareham left Monday for a three months' holiday with the friends and relatives in Texas, Louisiana and other southern States.

Mrs. Whitworth, Sr., is spending a short holiday with relatives in Vancouver and other western points.

#### RUSSIAN CROPS

Latest estimate on autumn sowings in Russia is 90,142,000 acres, compared with 93,057,000 acres in 1936. Plowings for the season are estimated at 125 million acres, compared with 139 million acres in 1936.

#### WEAR AND TEAR

"I say, waiter, the flowers on this table are artificial, aren't they?" "Yes, sir. That's the worst of running a vegetarian restaurant—if we use real flowers, the customers eat them."

#### SUBSTITUTION

Mother (after relating pathetic story): "Now, Reggie, wouldn't you like to give your bunny rabbit to that poor little boy who hasn't any father?" Reggie (clutching his rabbit): "Couldn't we just give him a father instead?"

### Tees Tattle Tales

By TATTLER

TEES.—The epidemic of marriages seems to be spreading throughout this district. Another little wedding was solemnized a short time ago and just came to light, this time the contractors being Miss Willowdene Parks and Mr. Ross Fraser. Miss Parks was very well known in the district, having taken part in many of the Young People's doings and Festivals. Mr. Fraser, who is a miner by trade, is not so well known, as his work takes him farther afield during part of the year. The young couple expect to move to Delburne or Ardley for the winter, which is closer to Mr. Fraser's work. The loss will be keenly felt by the rest of the eligibles.

Mr. and Mrs. Plastow, Jr., are spending a holiday in Calgary, before the winter sets in proper and makes it impossible to get out.

Mr. and Mrs. Newton spent the week-end at Lacombe, doing a little Christmas shopping. Another group went in to see the big hockey game between Olds and Lacombe.

Sunday was a big day out at Percy Walter's slough. Almost everyone who had a pair of skates, or a friend who had a pair, was there, slipping and sliding around on the goodly sized patch of ice that the boys cleaned off.

Several nice trips are being arranged for the Christmas holidays, and, weather permitting, will be carried out.

#### Santa May Not Come!

At present it looks as if Santa Claus is going to pass up Tees. At least, there will be no concert. There might be a party and tree, but old Santa may have made other arrangements for that night and not be there. It will be too bad if it comes to pass, as Santa will be missed by the children. These substitutes are never as good as he himself, but we will have to take what we get, especially when it takes us so long to make up our minds what kind of entertainment we would like.

The curling squad is doing a little better the last trip or so. Al Alx one night they left their regular players at home and a scratch crew brought home a game. Now that the luck has turned, it is hoped that the regulars will be able to uphold the curl.

The big grey saddle horse from the north will now have a little rest—well earned. After almost three years of daily trips of six miles to school and back, rain or storm, sunshine or snow and cold, He always came through without a groan and was never late. This winter he will get a few days of the bitterest weather in the stable at home, as his big chief, Miss Alva, intends to be within walking distance to school when the cold blasts blow.

William Murdoch and family motored to Edmonton over the week-end.

The friends of Mrs. Evans gave her a party on Tuesday afternoon. We understand Mrs. Evans is leaving town to locate in the Sylvan Lake district.

### New Hospital Has Women's Wing

Woman patients in the new hospital have a wing to themselves. The wing, facing south, contains two semi-private wards, two private wards and one general ward with room for four patients.

A sunroom containing large windows is situated on the extreme south end of the wing. With hardwood floors throughout, the sunroom is a distinct advantage to those convalescents who may wish to use it.

A large rest room is also situated in the Women's Wing for the convenience of the patients. It is conveniently located and is close to each ward. Swing doors finished in natural wood style and varnished lead into this wing.

### Sally's Sallies

EDINBURGH Model 420 \$34.95

Personal cable model for near-continuous reception. 4 tubes, no "C" Battery necessary.

#### CHARACTERISTIC

"I dinna like it, Sandy—ya take every corner on two wheels." "Oos, aye, Maggie, but dinna disturb yerself—it cuts me yearly fire bill about half."

#### NIGHT BREATHING

Teacher: "Every-day we breathe oxygen. What do we breathe at night, Willie?" "Willie: "Nitrogen."

Farmers in the extreme northern part of Saskatchewan experienced good crops in 1937.

Landscapeing of the grounds of the new Hospital will be proceeded with in the Spring.

## Blackfalds

(From Our Own Correspondent)

BLACKFALDS—The past week has brought some real winter, with about 30 below zero being registered, but school attendance has not been unduly interfered with, and we are waiting in for a long spell of it, if necessary.

The Sports Committee met at the hotel last Thursday to discuss what help could be offered to ward the rink. It was decided to assist on buying some lumber to be put around the rink and it was hoped to help further later.

The Ladies' Aid met last Wednesday at the home of Mrs. Moss for their annual meeting. Only five turned out for it and the following officers were elected:

President, Mrs. F. B. B.; vice-president, Mrs. M. H. B.; secretary, Mrs. M. L. W.; treasurer, Mrs. W. H. B. The members decided to send away for the necessary material to make candy bags for the Christmas tree; otherwise routine business was carried through.

The teachers are taking time to practice items for the Christmas concert, which we hope will be a great success.

The Rev. Mr. Carr of Lacombe took the service at the United Church last Sunday, and announced that Sunday the service will be conducted by the C.G.T. of Lacombe. The last service conducted by these girls a few Sundays ago was done very ably and it is expected that they will conclude their service this time with a candle lighting ceremony, so the service should be well worth attending. It is hoped that there will be a good turnout.

Lorne Bell got in a carload of coal over the week-end and distributed it in quick time.

W.W. Holds Meeting

The directors of the W.W. met at Mrs. McLennan's home last week and drew up their program for the coming year. The first regular meeting of the New Year will be held at the home of Mrs. Wasey, and the roll call is to be answered with quilt patterns.

Pelling is in progress on the fox farm and W. I. Clarke has nearly ready for shipment to France two of his golden silver fox skins, which have won renown of late in the fox journals.

Mrs. Crocker has her cousin from Iowa visiting her.

Last Wednesday's dance had to be called off owing to the inclement weather. Hereafter, these dances have enjoyed considerable success.

The Crusaders met at the home of Mrs. Campbell last Wednesday and held a farewell party in honor of Dorothy Robinson, their popular president for the past two years, who is shortly to leave us. The evening was spent mostly in playing games, and at the conclusion the girls presented Dorothy with a pair of book-ends as a memento of their friendship.

Miss Smith was a visitor in Edmonton over the week-end.

Miss Smith was a visitor in Edmonton over the week-end.

Lorne Bell has been given the contract for flooring the rink and it is expected to be ready for use during the coming week.

## Lacombe Downs Olds By 6-2 Score

(Continued from page 1)

called offside by Referee Leslie Mathieson.

Pleaty of Scoring

Todd scored again early in the second period to put the locals four up in a goal in which Havestock and Roberts also received credit. R. Kaiser sifted in on the Lacombe net to counter Olds' first goal of the evening. Chapman added another one for Lacombe before the end of the second stanza when he split the Olds defence with a solo rush that carried him from behind his own goal and ended with the disc behind Kaiser in the Olds net.

Olds ganged up on the Lacombe net in the third period and managed to poke the puck past Todd in goal for their second and last counter of the game. Havestock came back fast to score on a pretty passing play which saw Todd and Roberts both handle the puck before the score.

W. Hoppas, local defence man, was suffering from a severe cold and did not appear in uniform.

Lineup of Teams

Olds—Kaiser, Black, Harrison, Reiber, Belle, R. Kaiser, Morrison, Scott, Schrader and Kline.

Lacombe—Edgar Todd, Brooks, Chiff, Troit, Penman, Chapman, Miles, Havestock, Todd, Fritz and Roberts.

Referee—L. Mathieson.

## Mirror

(From Our Own Correspondent)

MIRROR—The death of Mr. Percy E. Simmon occurred in the Holy Cross Hospital, Calgary, on Saturday morning, Dec. 11. The deceased was an employee of the Canadian National Railways for many years, and has resided here for the past 10 years. He leaves to mourn his passing his wife and son, Dale, and a host of friends. Funeral services were held in the town hall here Tuesday afternoon and interment made at the Mirror cemetery.

Born to Mr. and Mrs. George Wiggins, a daughter, on Friday, Dec. 10th.

Sailor Bob Green has been spending his holidays with his parents, Mr. and Mrs. A.R. Green, during the past two weeks.

Rev. and Mrs. J. Blewett spent last week in Bashaw, visiting friends.

## Westling

(From Our Own Correspondent)

WESTLING.—Mr. and Mrs. Oscar Westling and daughter and Miss Beresford motored to Edmonton Thursday, returning on Sunday.

Don't forget the sale of fancy work and cooking put on by the English Church W.A. It will be held on Dec. 18th in the Oddfellows' Hall.

Mrs. P. Troske and son from Edmonton are visiting her parents, Mr. and Mrs. R. Haskins.

Mr. Boddy has installed a new electric plant in his home.

Axel Westling is driving a new Ford.

CHRISTIAN SCIENCE

At all Christian Science churches next Sunday, the subject of the Lesson-Sermon will be "Is the Universe, Including Man, Evolved by Atoms or Forces?" The following is one of the Scriptural quotations contained in the Lesson-Sermon: "Let thy work appear unto thy servants, and thy glory unto their children" (Psalms 90:16). One of the correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, is as follows (page 135): "Spiritual evolution alone is worthy of the exercise of divine power."

ORIGINAL IDEA

The Scotchman was making plans for his new home when friend asked him why he had left the roof off one of the rooms.

"Oh, that's the shower," said the Scotchman.

## Team Work

IN 1905, when the great Canadian West was beginning to get into its stride, the industrial East saw the organization of Dominion Textile Company Limited from four primary cotton textile companies which were not successful.

SINCE those far-off days both East and West have made progress. Each it may be said has contributed to the progress and welfare of the other. The East went ahead more slowly than the West but, perhaps in consequence, the East did not suffer so severely when the world had more wheat than it could consume. The relative stability of the East when low prices for farm products and drought and hail and plague attacked the Prairies was an asset which kept the nation a going concern.

THESE are the days of bigger farms than the East knows, and big industries. Dominion Textile Company Limited is big in its own industry; it steadily employs about 7,000 persons in an industry which, like the farms on the Prairies, is a part, and only a part, in the agricultural, industrial and commercial enterprises which together have made Canadians a people able to withstand the shock of the greatest depression in modern times.

Western Division

## DOMINION TEXTILE COMPANY LIMITED

358 DONALD STREET WINNIPEG

## UNUSUAL BARRIERS OPEN

## RESEY OIL INDUSTRY

The enterprise of industry in seeking economies for its own operation is often beset by unusual barriers.

Because the Standard Oil Company of Indiana announced its intention to build a pipeline, the Interstate Commerce Commission of the United States, on application of the railroads, has authorized a slash of almost 50 per cent in railway freight rates from Superior, Wis., to Minneapolis and St. Paul, Minn.

The rate cut granted was from 17.5 cents per 100 pounds to 8.75 cents per 100 pounds, without corresponding reduction to intermediate points. Standard Oil of Indiana hauls gasoline from its Whiting, Ind., refinery to Superior in its own tankers. At Superior it has large storage facilities, from which it distributes gasoline and other petroleum products in the northwest.

Recently it decided it would be more economical to distribute to much of this territory by moving the commodity by pipeline to a central point and by rail and other means beyond.

The rail carriers resisted building of the pipeline. During 1935 they said, they carried 5,041,000 gallons of gasoline from Superior to destinations in the northwest, about one-third to Minneapolis and St. Paul. For this transportation they were paid \$777,000.

If the pipeline were constructed and the same tonnage distributed from a pipeline terminal, their revenue would be \$300,000 a year less.

## Urge Reduction Of Auto License Rates

Reduction of motor car license fees in this province was urged in a resolution passed by the Edmonton branch of the Alberta Motor Association recently.

When the subject was under discussion, it was contended that the increase in gasoline tax in this province was out of all proportion to the reduction in car licenses. For that reason, the government was urged to give greater relief in the form of lower car licenses.

While no objection was expressed to a license or license or regulatory purposes, strong protest was expressed against this levy being made upon motorists solely for revenue purposes, when the gasoline tax had been created largely for such purposes.

Attention has also been drawn to the province of Ontario, where substantial reductions were made this year in motor car and truck prices, resulting in large savings to car owners.

Also, it is recalled that various conventions of provincial organizations have passed resolutions calling upon the government to reduce car license fees.

OTTAWA.—As an indication of the world-wide recognition of the value of Canadian Record of Performance Poultry, a substantial order for this class of breeding stock has been received from the Director of Agriculture for British Guiana.

## Trees For Farmers Available From Govt.

With reference to the very important function of tree planting in Alberta, it was learned in an interview given recently by the Hon. N. E. Tanner, Minister of Lands and Mines, that certain species of trees are available to farmers for transplanting in existing bluffs and the extension of windbreaks. These trees may be secured on application to the Forestry Division of the Department.

The principal object in view, Mr. Tanner stated, was to provide transplants of the more durable species for planting in natural bluffs, shelterbelts and windbreaks. A number of the native varieties now found in existing bluffs are not as durable as desired and the introduction of exotic species will give the desired longer life to these bluffs. Necessary protection will be given also to the existing trees in providing shade, thus ensuring a healthy and more permanent growth.

Lodgepole Trees Available

The Minister also stated that there is available for planting in the spring of 1938 a large quantity of lodgepole pine, green ash and nordanum fur, and a limited quantity of white spruce and elm. There is also a considerable number of bar and red oak available for distribution. The province has been experimenting with these two latter species for several years, and it is found that they can be successfully grown in Alberta.

To avoid any possible confusion, application forms should be secured from the Director of Forestry, Department of Lands and Mines, Edmonton. These forms should be properly filled out as to quantity and species desired, and should be returned to the Department not later than the end of the present year for trees for planting in the spring of the year 1938.

## Electrical Gifts

### Helpful Suggestions for Perplexed Christmas Shoppers

TO MAKE BUYING AS EASY AND PLEASANT AS POSSIBLE, CHECK OVER THESE GIFT HINTS, THAT WILL PLEASE

#### HOTPOINT KENWOOD Coffee Maker

Six-cup Capacity. Pyrex bowls. Makes delicious coffee. PRICE **\$7.95**

#### HOTPOINT TWIN Waffle Irons

Makes two waffles at a time. PRICE **\$11.95**

#### HOTPOINT PLAIN Plain Percolator

Nine-cup capacity. Makes delicious, fragrant coffee. Chrome plate finish. PRICE **\$11.00**

#### G.E. SELF-STARTING Telechron Clocks

Always a timely gift. Needs no winding, oiling, regulating or cleaning. Choose from the many smart models for living room, boudoir, kitchen or office. All moderately priced.

BUFFET MODEL suitable for any purpose, in four colors. PRICE **\$5.95**

#### The Mixmaster

Mixes, beats and blends ingredients smoothly, thoroughly and quickly. Also extracts fruit juices and drops oil for salad dressing. Choice of two colors, Cream and Green, or **\$31.75** Black and White. Price

### Add to the Joy of Living

#### WITH A G.E. Refrigerator

Her Christmas will be perfect with either of the models we stock. She wants it—she needs it—it's the best and most economical. We will gladly show you the service these refrigerators give.

#### A Small Down Payment

will provide her with the convenience of a G-E for many festive seasons, and its saving will cover the low monthly payments.

### Gifts that Banish "Wash Day Blues"

#### G.E. ELECTRIC WASHERS

Several models to choose from, and they are Reasonably Priced.

### Morrison & Johnston Hardware

Lacombe and Bentley

### Electrical Appliances Becoming Increasingly Popular As Ideal Christmas Present

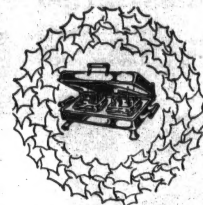

Every home-keeper will welcome and appreciate for a long time any gift that will lighten the round of daily household tasks. So many Electric Appliances are ideally suited to this objective. Not only are Electrical Gifts useful but they are smartly designed and such appliances as waffle irons, toasters, coffee-makers and sandwich-makers are things of real beauty.

Women are no longer the hard-working slaves of yesterday. Many men recognize the fact that home-keeping is a never-ending round of household tasks, and probably the reason is here found for an ever-increasing number of men selecting gifts for wives and mothers which simplify the work within the home. Towards this end, Electrical Gifts stand supreme.

Lacombe dealers now have a fine supply of electrical gifts now on hand.

### Santa's Best Gift Ideas

#### Here are Only a Few of Our Choice Selection

#### Sandwich Grill

For smart Table Cookery. Heavily chrome-plated. Elements provide even heating. Recessed grids prevent mashing sandwiches. PRICE **\$9.50**

#### Autocrat Toaster

Toasts 2 slices of bread both sides at a time. Mechanically simple. No gadgets or springs to get out of order. Cool handles. PRICE **\$8.75**

#### Safety Coffee Maker

8-Cup Capacity. Utilizing the proven principle of the glass coffee-maker. Special fast flowing filter. Has no-break funnel holder. Top bowl 20% oversize. PRICE **\$8.75**

LACOMBE

### Sport-Scope

By JACK McCAUGHERTY

When the black and gold Athletics step on the ice at the local arena this Saturday night they will be up against their toughest rivals to date. The local pucksters will match sticks with the high-stepping Red Deer squad, and neither team has lost a game to date. Lacombe has its victories without a defeat and so has the southern team. It will be a real tough battle for league leadership.

The local boys turned in a smart performance last Saturday as they turned back Odds 6-2. Our team showed a real burst of speed and scoring punch in that game and most fans were very well pleased with their show. On the other hand, Red Deer blanked the Stettler Imperials 5-0 for their second shutout. They have had only one goal scored against them in their three tussles and have come through with fourteen scores to their credit. Lacombe has drubbed their opponents with 13 goals, while six have been netted against them. Will these statistics count in Saturday night's game?

Toronto Argos barely managed to pull through with the Dominion rugby championship against the Peg Blue Bombers at Toronto last Saturday. The only difference between the two squads came in the punting. It was the powerful kicking of young Bob Ishlister of the Argos that pulled

the Scullers out with that 4-3 verdict. His high punts enabled the Argos to nail "Dynamite" Fritz Hanson before he could get away, and in that Winnipeg's hopes were grounded. However, Captain Bob Fritz outshone all other players on the field and his powerful plunges and long runs kept the bombers in the game. Fritz made a spectacular 65-yard run, only to be caught from behind on the Toronto 10-yard mark. The Western titlists got another tough break when a touchdown made by them was called back.

However, the west has no allies to offer. The Argos have a great team and showed powerful defensive play in their victory. Rugby champions of Canada for 1937—Toronto Argonauts.

### Fairview

(From Our Own Correspondent)

FAIRVIEW.—The school trustees and contractors opened the new school with a very enjoyable social evening on Wednesday night, Dec. 8. We certainly congratulate both our trustees and the contractors on their magnificent achievement.

Rev. Thomas Powell, D.D., was a very welcome visitor on the Morningside pastoral charge on Sunday last. His sermons, both to young and old, were thoroughly enjoyed.

A full house greeted the Milton players at the church Monday evening, Dec. 13, when they put on their comedy, "The Meddlesome Maid." Everyone was satisfied.

LONG after other gifts have fulfilled their purposes, Modern Electrical Gifts will still be in service. Their smart beauty lasts for years. Their utility and convenience equally as long. And the reasonable prices of the smaller appliances will hardly make a dent in your Christmas Budget; while the larger ones make purchasing them simple and easy. When you give Modern Electrical Appliances you give freedom from household cares — and no woman could ask for more.

## Spring Valley

(From Our Own Correspondent)

SPRING VALLEY.—Our Christmas entertainment at the school will be given on the afternoon of Dec. 22. Crank up the Lizzie and head her this way. The Sunday School expects to have a special Christmas program on Sunday, Dec. 26.

Mr. Hudd was away last week on a hunting trip.

This is old news to the neighborhood the other day we heard that Mr. and Mrs. John Ellis and daughter Winnie had gone to the Coast some two weeks ago, for the winter.

We understand that Bernard Duffy is in the hospital with blood poisoning in his hand. We hope it does not prove serious. W. Ayres' little daughter, who was kicked in the eye one day last week by a horse and we understand the eye had to be removed. Our neighbor to the south, Mr. Goodband, has been putting up a new barn, with Albert Gillander as the chief architect.

LOW COUNTRIES  
LARGE BUYERS

In the first 15 weeks of the current crop year, Holland and Belgium purchased 25 million bushels of wheat. Belgium is a big buyer of foreign wheat this year. Russia has exported 25 million bushels since the first of August, while Danubian countries have exported 19 million bushels. Ocean freight rates remain high and this is having its effect on world trade. However, the last two weeks have seen substantial shipments of wheat and stocks abroad are now quite large.

Fernie, B.C., had a much larger population several years ago, the closing down of some of the mines has caused a decrease.

Prize Awarded  
To Calgary Beer

Under date of October 26th, from Ottawa, in an article copyrighted by the Southern Publishing Company, Limited, Charles Bishop, the Calgary Herald's Ottawa Correspondent, reports that "out of no fewer than 7,000 bottles of beer submitted from throughout the United Kingdom and all parts of Canada, the Calgary Brewing & Malting Company won the diploma in the 'heavy' beer class against all overseas beer in the bottled beer competition recently held in London, England."

For the first time Empire beers were entered in the competition and entries were received from Canada, New Zealand, Australia and Kenya Colony. A number of Canadian brewers submitted entries in the "heavy" class, but Calgary beer topped them all.

A report received by the Department of Trade and Commerce states that "the judges announced that they were particularly struck with the fine quality of the overseas beers and had to spend four times as long in arriving at a decision regarding Dominion beers as they had the home entries."

## GUIDING THOUGHTS

"More or less definitely, all men have guiding thoughts. Some wish to be rich; others wish to be well regarded by their neighbors; some decide that these two ideas are the same. Whatever the ideal may be, every person is building a career in accordance with it. It is not only authors and artists who have creative imaginations; the boy is making a kite, the youth is devising a football formation, the man is making a home, a business, a family. Everyone must construct something, and those whom environment has hunked become neurotics or perverts or criminals making war on society."—Upton Sinclair.

## Ontario Government House To Be Sold

With the resignation of Hon. Dr. H. A. Bruce as Lieutenant-Governor of Ontario, Chorley Park, official residence of the King's representative in Ontario, goes up for sale. Chorley Park, which is pictured here, was completed in 1915 at a cost to the province of Ontario of about \$1,000,000. Of its contents has been made by a firm of Toronto auctioneers and they will be placed "under the hammer." Premier Mitchell Hepburn confirmed reports that while Dr. Bruce was retained, the Ontario government would continue maintenance of the residence, but that following the Lieutenant-Governor's regime it would be closed up and put up for sale. The new Lieutenant-Governor, Hon. Albert Matthews, will be compelled to maintain his own vice-regal residence.

Broadcast Speech Made By Gray  
Threatens Disruption of Alberta  
Anti-Aberhart Unity Movement

By T. B. WINDROSS

EDMONTON.—Premier Aberhart and the Alberta government had two great pieces of good fortune last week.

One lay in the fact that the Premier was able to visit his own constituency of Okotoks-High River without finding himself the centre of a hostile demonstration by his constituents, betrayed by the sudden strategic repeal of the Recall act a few weeks ago, when they were about to unseat him. He talked to only the faithful Social Crediters in his riding.

The other good fortune was the greatest piece of luck Mr. Aberhart has had since he became premier more than 27 months ago—the threatened disruption of the plans for united opposition against him by political groups not of the Social Credit persuasion.

E. L. Gray, provincial Liberal leader, exploded a bomb under the anti-Aberhart united opposition plan when, from Calgary, he broadcast a condemnation of the People's League and of Conservative Party Leader D. H. Duggan. He claimed that both groups had selfish motives in talking unity, that the People's League was being financed, at least in part, by eastern finances, and being dictated to by eastern politicians; that Mr. Duggan was more eager for the destruction of the Liberal party than of the Social Credit party in the province.

Mr. Duggan replied in an even-tempered, deliberate radio speech, reminding Mr. Gray and the electorate at large that the situation in the province is now critical. Too critical, he said, to justify any petty inter-party jealousies or personal squabbles, or any reflection on personal motives. But he presented evidence to show

that Mr. Gray had once endorsed plans of co-operative action among parties, after that plan had been presented to the Liberal leader by Mr. Duggan. He pleaded that no narrow view be allowed to wreck plans of united action; he had no desire to wreck the Liberal party any more than he would wish to wreck his own, he said, because he believed in party government. His plea was for co-operation among parties in order to oust the economic menace of the Aberhart government and impracticable Social Credit theories.

The People's League replied during the week to Mr. Gray, too, declaring the charge of eastern financial support to be utterly false.

Last Thursday the government broadcast a gem of false propaganda. It was delivered by Fred Anderson, M.L.A. for Calgary, and it purported to tell about the government's activities in the realm of public health. The public health part of it ended in the first three minutes, with Mr. Anderson announcing that the banks were responsible for tuberculosis because they prevented the government from stamping it out in Alberta.

By hammering continually at the banks, the Social Crediters continue to keep the public from being too curious about just what is being done about Social Credit and just what, if anything, the Social Credit Round members and "experts" are doing to earn their salaries or "substance allowances." They've been on the public payroll now since last April and there's been no report yet on their activities, except one to say that nothing can be done until the people control their own credit.

One of the publicity articles being distributed throughout Alberta now by the government's propaganda bureau included a little while ago that quotation from "the 15th edition of the Encyclopedia Britannica," from the article on money written by R. G. Hawtrey, assistant secretary to the British Treasury. Like the "Tax the Banks" pamphlet of a few months ago, published by the propaganda bureau, this publicity release quoted Mr. Hawtrey as saying simply: "Banks lend by creating credit; they create the means of payment out of nothing."

Mr. Hawtrey did use those words, and that was enough for the purposes of the propaganda bureau, but it was like quoting Mr. Aberhart as saying "Social Credit is a failure" when what he really did say was: "Our enemies claim falsely that Social Credit is a failure."

## Meaning Was Changed

Those words of Mr. Hawtrey were lifted adroitly out of the encyclopedia article in such a way as to change their meaning. The truth is that Mr. Hawtrey, in that passage of his article, was telling of the effects of inflation, such as that practiced in Germany after the war, when printing presses turned out money in a steady stream and without backing, with the result that the new money was practically worthless, and dragged down the value of all the previously-sound money with it. The same effect could be expected right here if this government were to order banks to "manufacture" a flood of money without economic backing, or if the government itself

## BINDER TWINE PRODUCTION

OTTAWA.—According to the industrial census reports, binder twine is the principal product of the Canadian cordage, rope, and twine industry. Canada's output of binder twines amounted to 24,500 tons in 1934 and 1935, as compared with 26,500 tons in the year 1930. Sisal is the fibre chiefly used.

The Doukhobors have a large jam factory at Brilliant, B.C.

were to issue it.

When a government orders such inflation, Mr. Hawtrey explained, all sight of actual wealth is lost, and it is "only too likely to end in a complete breakdown of the currency system, the value of the unit in gold or in wealth dwindling to an infinitesimal fraction of its former value."

Under such government orders of inflation, said Mr. Hawtrey, "the banks lend by creating credit; they create the means of payment out of nothing."

Those last words, stripped of their context, and their real meaning reversed, were just what the Social Credit propagandists needed to support their false theories of money and banking, and to fit it with all the other dreams which they must inspire in voters in order to retain power.

Winnipeg Grain  
Market Founded  
50 Years Ago

December 7th, 1937, marked the 50th anniversary of the founding of the Winnipeg Grain Exchange. Throughout this half century the Exchange has steadfastly adhered to the purpose for which it was founded. It was established as a place where buyers and sellers of grain might meet to transact their business. Through the activities and the eagerness of those buyers and sellers, Canadian grain and its products have found their way, during the last 50 years, into the consuming markets of the world.

In 1888 an attempt was made to form a Grain Exchange. After preliminary arrangements, interest waned and plans did not materialize. On Nov. 24, 1887, a further meeting was called. This resulted in the formation of the Winnipeg Grain and Produce Exchange, which commenced to function December 7, 1887.

Quotation Service Provided . . . The Exchange of 1887 was thus founded to facilitate the handling of the products of the rapidly expanding grain acreage of Western Canada. A limited quotation service covering prices prevailing on the British and American markets was provided. The first report of the president in 1888 recorded the fact that 14,000,000 bushels of wheat had been produced in the West in 1887, of

## Gull Lake

(From Our Own Correspondent)

GULL LAKE.—Miss Gladys Ebeling and Bill Selterich, left recently for a visit with friends in Saskatchewan.

Miss Pauline Moore has left for Portland to attend school.

## ANY PORT IN A STORM

"The new neighbors want to cut the grass," announced Molly, "and they want to know if you will lend them your lawn mower."

"Lend them the lawn mower to cut grass on the Sabbath!" exclaimed Mrs. Prim. "Certainly not, Molly! Tell them we haven't got one."

which 10,500,000 bushels had been exported in the form of wheat and flour. Since that time, the Winnipeg Exchange, which is the largest cash grain market in the world, has facilitated the marketing of wheat and coarse grain crops of many millions of bushels. The Western crop alone exceeded 500,000,000 bushels in the year 1928.

Various Royal Commissions have, with the full co-operation and assistance of the Exchange, investigated the handling and marketing of grain in Canada. Commissions of Inquiry have consistently found that the operation of the futures market reacts to the benefit of the producer.

Public Sale of Lands  
UNDER THE TAX RECOVERY ACT, 1929

MUNICIPAL DISTRICT OF CROWN, No. 399

Notice is hereby given, that under the provisions of The Tax Recovery Act, 1929, the following lands will be offered for sale, by public auction, on Monday, the 20th day of December, 1937, at 2 o'clock in the afternoon, at the office of the Secretary-Treasurer, Lacombe, Alberta:

Miss E. Sage  
Addresses Local  
Rebekah Lodge

Miss Elizabeth Sage, recently returned from Chicago, following a post-graduate course in nursing in London, England, gave an informal talk on the work of the Chicago Maternity Centre, to members of the Lacombe Rebekah Lodge following their regular session on Monday evening.

Miss Sage's talk was enlightening as she drew vivid verbal portrayals of the work being done by doctors, nurses and students in the slum districts of Chicago and the intimate pictures of both pathetic and humorous incidents held the interest of her listeners.

The small maternal death rate which has resulted from the efforts of the centre was especially worthy of note, and a subject which, Miss Sage felt, should receive the attention of all women. Miss Sage was given a hearty vote of thanks for her kindness.

NOTICE TO CREDITORS  
AND CLAIMANTS

IN THE MATTER OF THE Estate of CHARLES BEMBRIDGE DAVEY, late of the Town of Lacombe, in the Province of Alberta, Deceased.

NOTICE IS HEREBY GIVEN that all persons having claims upon the Estate of the above-named Charles Bembridge Davey, who died on or about the 30th day of November, A.D. 1937, are required to file with the undersigned as Solicitor for the Executors of the Estate of the said deceased by the 20th day of January, A.D. 1938, a full statement fully verified of their claims and of any securities held by them, and that after that date the Executors will proceed to distribute the assets of the deceased among the parties entitled thereto, having regard only to the claims of which notice has been so filed or which have been brought to their knowledge.

DATED this 7th day of December, A.D. 1937.

J. S. McCORMICK,  
Lacombe, Alta.,  
Solicitor for Executors. 423c

Fit Your Stock Now for  
Lacombe's Horse Sale

While the well-known Lacombe Horse Sale is some distance off, farmers should start getting their stock in shape now, for the sale, which will be held on March 15 and 16 next.

Past experience has shown that better prices are secured when horses have been properly fitted for the sale, and farmers can reap good dividends by giving their attention to this practice.

The sale has a reputation for high-grade stock, and to enable the farmer to obtain top prices, a start at properly fitting the horses should be made right now. The Globe has ascertained from a good authority that horses allowed to run all winter do not bring the better prices.

Plans are already underway for another good two-day sale, surpassing, if possible, last year's success, when close on 600 head were sold.

Indications at present point to a good demand for horses in Eastern Canada and the United States but these markets demand the finished stock.

First Get-Together  
Of Young People's  
Held in Church Hall

By JACK McCAUGHERTY  
Grand success accompanied the social of the Young People's League of Lacombe, held in the Church Hall last Friday night. Close to fifty young people turned out for the get-together, which proved a night of fun and laughter for all, topped by two hours of dancing. This was the first of a series of monthly socials to be held by the organization throughout the coming winter months.

The sleigh-ride planned for the night was called off due to the weather man's misbehavior of sub-zero weather. However, Old Man Winter failed in his attempt to spoil the evening's fun, as the members and their guests gathered in the hall. The sleigh-ride will probably be held at a later date.

Dancing began about 9:30 p.m., with music by Mrs. Woody and Mr. John McDonald, and the program finished up shortly before midnight. Lunch was served by some of the members.

H. J. Ford started things moving by leading the gathering in community singing and no doubt his magic writing has the girls still thinking. A great deal of credit is also due to Rev. A. L. Carr for his fine co-operation.

C.G.I.T. GIRLS HOLD VESPER SERVICE  
Vesper services, conducted annually in St. Andrew's United Church by the C.G.I.T. groups, were held on Sunday evening, Dec. 12th. Eleanor Troit officiated. Mary Layton read the Scripture passage, and Winona Saunders offered the prayer. A story, "They Conquer Who Come Singing," was told by Vivian Taylor. Contributing to the pleasure of the service were a bass solo by J. Wilks of Olds, "Though Faithless Men," and a tenor solo by T. Wilks, "Star of Bethlehem."

Leading the very impressive candle lighting ceremony which followed the service were Clara Saunders and Joan Halton. Others were Nettie Sage, Nina Sage, Isabelle MacKenzie and Beattie Biglands.

Enthusiastic  
Meeting Held

(Continued From Page One)

John Serri, Eckville; R. Pederson, Dickson; F. W. Plank, Bluffton; E. M. Layton, Rimby; Wm. Adams, Stettler; Dr. Adinell, Ponoka; Peter Jamieson, Alia; I. Nelson, Keville; Dan Markberg, Markerville; J. Robertson, Bluffton; E. Robinson, Wainwright; W. J. Good, Rimby; and Bob Berry, Godsy.

It was also suggested that the ministers of all denominations be asked to announce details from their respective pulpits.

The next meeting will be held in the Town Hall on Saturday, Dec. 18, at 3 p.m. Committee please note.

## Thirty Short Course School

The idea of the scheme is to hold a 30 short course school for farm young people under the terms of the Dominion-Provincial Youth Training Program.

The courses are free to all rural young men and women between the ages of 18 and 30 years who are either unemployed or not gainfully employed.

The latter term will include all young people who are living at home on the farm and who are not receiving wages.

For further information, prospective applicants should get in touch with any member of the General Committee.

## FORESIGHT

Little Bobby had eaten unsparingly of cake, candy, nuts, popcorn, fruit, etc., at the party.

"Will you have a little more cake before you go?" asked his hostess.

"No, thank you, Mrs. Jones, I'm full," he replied.

"Then," said the hostess, "you will put some nuts and candies into your pockets, won't you?"

"They're full, too," he said regretfully.
